

## €10,000 for the Schmetterling children's hospice

When asked which good cause they thought should receive the company's Christmas donation of €10,000, an overwhelming majority of the AC'Tech staff chose the "Schmetterling" children's hospice in Chemnitz.

The cheque was presented to Ms Theiling and Mr Bicking from the hospice by the AC'Tech board and the Works Council on 07/12/2017. With great joy and gratitude, the representatives talked about their work and the many small and large challenges the volunteers and staff at the hospice are confronted with each and every day. The team does a very impressive and wide-ranging job, and were very grateful to our company for the financial support. Ms Theiling said that the donation would be put toward a respite weekend for the hospice's children and their families in summer 2018.

She and Mr Bicking also highlighted the need for more local volunteers to come forward to help at the hospice. For more information about this and the hospice's work, please see [www.ekk-chemnitz.de/schmetterling](http://www.ekk-chemnitz.de/schmetterling).
